

You are a suspected COVID19 case if you

have fallen ill with high fever, have a cough and/or lost your sense of taste and smell

or

spent more than 15 minutes without a mask in close proximity to a confirmed COVID patient

What to do if you are a suspected COVID19 case?

1) Self isolate.

2) Call the public health service hotline 1450 and ask for a test.

3) Send an email to the head of department + covid.philkult@univie.ac.at + rektorat@univie.ac.at stating your name, why you are a suspected case (symptoms or contact person), and, in case you know, when you will be tested, as well as a list of the colleagues with whom you have been in close contact in the last 48 hours.

If you test negative

Send an email to the head of Department + covid.philkult@univie.ac.at + rektorat@univie.ac.at stating that you are clear.

If you test positive

Send an email to the head of Department + covid.philkult@univie.ac.at + rektorat@univie.ac.at that you have been tested positive.
Stay at home and get well soon!
