

23. October 2019: External funding day (Drittmitteltag)

10.00-15.00
University of Vienna, Ceremonial Chambers
Universitätsring 1, 1010 Vienna

Dear colleagues,

The annual **third party funding day 2019** will be focusing on national research funding possibilities. Several **round tables**, chaired by representatives of the most important funding organizations, offer the possibility to engage in active discussion with peers in an informal setting.

A **networking lunch** will then provide the perfect opportunity for further getting to know your colleagues and chat with all represented funding bodies.

In the afternoon there will be the possibility to have short private consultation meetings (10 min. per person) with members of the FWF, FFG and the Academy of Sciences. To take an open slot register on the day of the event directly on site.

Please note, that places are limited and an online registration is mandatory!

--- The event will be held in English ---

For more information about all participating funding institutions and registration, please see:
